Maximize your estate, conserve and transfer assets to the ones you love.

Maximize your estate, conserve and transfer assets to the ones you love.

Like most people, you have spent your adult life working hard, raising children, paying down a mortgage, and funding a college education. Along the way, you have been fortunate enough to save some money for your retirement years and probably invested in safe and secure investments like certificates of deposit, savings bonds, or money market funds. Safe yes, but taxes can inflict a terrible toll on the growth of your assets.

Today, many seniors are concerned about their children and grandchildren's future and wish to transfer a portion of their estate to them upon their death, but are unfortunately unsure as to an effective way to do so. At the same time, many seniors are worried about a catastrophic or prolonged illness and the devastating impact it can have on their accumulated wealth.

Single Premium Whole Life (SPWL) Insurance is an ideal solution.

By simply reallocating a portion of your invested assets to an SPWL policy issued by Baltimore Life, you can:

- Increase your estate.
- Provide beneficiaries an inheritance that's free of federal income tax*.
- Pass money directly to beneficiaries avoiding all probate courts.
- Have a guaranteed lifetime death benefit
- Access your guaranteed cash values for financial emergencies.
- Receive your death benefit while living† in the event of a catastrophic illness:
 - *Terminal Illness*
 - *Nursing Home Confinement*
 - *Home Health Care/Adult Day Care/Other Qualified Care*

How can SPWL help?

Here's an example: "Jane", age 65, non-tobacco user has the following investment portfolio. She has specifically designated the \$50,000 CD to pass to her grandchildren upon her death.

Current Portfolio

Certificate of Deposit	\$ 50,000
Mutual Funds	\$ 25,000
Money Market Funds	\$ 115,000
Savings or Checking	\$ 60,000
Total Estate at Death	\$ 250,000

Value at Death WITH SPWL

SPWL Death Benefit	\$ 90,909
Mutual Funds	\$ 25,000
Money Market Funds	\$ 115,000
Savings or Checking	\$ 60,000
Total Estate at Death	\$ 290,909

By simply moving \$50,000 from the certificate of deposit to a SPWL policy, "Jane" was able to purchase a \$90,909 death benefit guaranteed for the rest of her life. "Jane" increased the original gift she intended to leave her grandchildren by

82% and her estate by 16%. In addition, the death benefit will pass income-tax free* to her grandchildren and she no longer has the tax liability for the interest income earned on the certificate of deposit.
